### Standard for flame retardancy

- IEC 60332-1-[1,2] (2004-07)

### Technical report

DELTA-N312795-05, DANAK-19J2276

### Manufacturer code

2276A

### Certificate valid until

25 July 2011

This product has been tested by EC Cabling Group of DELTA and complies with the requirements of the above specified standards and "Terms and conditions for use of the EC VERIFIED marking on generic cabling products", DQP231006. The product takes part in a maintenance of certification schedule, which implies that EC Cabling performs a quality audit of the manufacturer's production and QA sites. The maintenance testing of the product is performed on a sample basis.
